カヤ カヤ
Good morning!
The first day of the second term has arrived...
Yuusuke, you're so tanned!
Long time no see!
I've been staying with Tateyama's granny!
It occurred to me that paradise wouldn't last forever.
hm?
Hey, look over there.
!

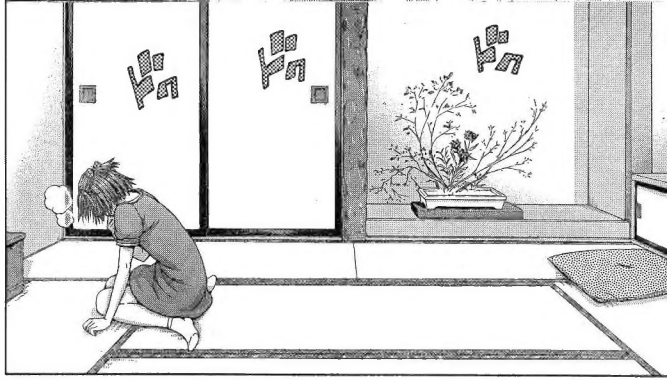
Michiko's butt is bright red!
wha-!!
ugh... blood?

You boys go over there!!
Michiko has wet herself!
Micchan, are you okay?

Hey, let's go home!
Anyhow, tomorrow the boys will be getting special lessons as well, you know!
Sshht! I can't hear!
Stop it, I'm telling you!
Why?
oh, Something is moving.
After all I know already.
Not really.
Shouta, don't you want to know what's going on?

Move!
Oh no, that's so low!
Whoa! Shouta was eavesdropping!
giggle
hmpf
okay
You bastards!!

ah...
Sayo... are you okay?
……
Sayo!



But... but...
I didn't know that!

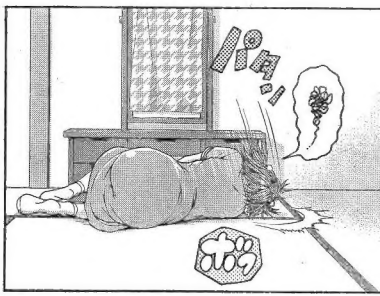
子宮
Specifically...

When the secondary sex characteristics start developing, your bodies...
will start to get ready for children to be born.

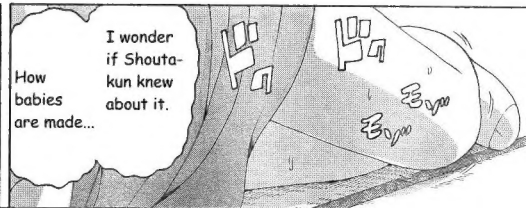
Mommy,
How do you make babies?
Well...
ドクン
ドクン
ドクン
will get to the egg inside the womb...
Sperm, which comes out of the tip of the penis...
恥骨
陰核
精管
精巣
睾丸
So that's what it meant...
Let's make babies together!
Please Shouta-kun
let's bring the stamen and the pistil together...

can'ttakeit
can'ttakeit
can'ttakeit
can'ttakeit!!
waaaah!!

I'm so embarrassed that I want to disappear...
sniff



!?

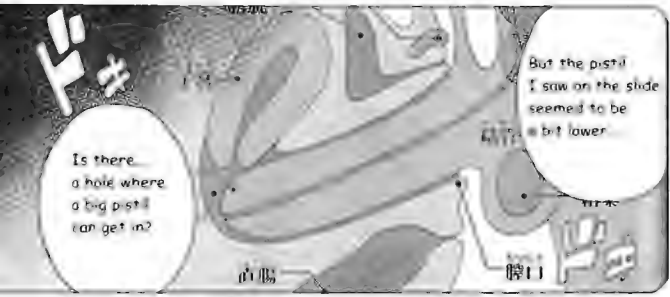


How babies are made...
I wonder if Shouta-kun knew about it.

Where is...
...Sayo's pistil?
I think it is around here...
RUB

What was that.....?
Kya!
It is the same feeling as the "spiritual power" that Suzune-chan told me about.
Th... this...

Sayo hasn't touched there except when she washes herself
I really don't know
RUB
RUB
What should I do... It somehow scares me



Is there a hole where a big pistil can get in?
But the pistil I saw on the slide seemed to be a bit lower

TOUCH
ah
a hole
a hole
a hole
RUB

This is Sayo's...
There it is!
RUB
RUB
.....
The butthole?
huh?

ドキ
TOUCH
This is the first time...
I'm looking at my own spot...
ドキ
ドキ
ドキ
waah...
gulp
I thought that only pee came out here...
PLTCH
It is getting messy; something...
PLTCH
PLTCH

TOUCH
Just now... my fingertip seemed to enter a bit...
Inside...
hya!
around here...

Here!
ah!
TOUCH
This is Sayo's...
...pistil?
It hurts
Maybe if I do a bit harder...
That hole is narrow. It won't fit...
TOUCH

Hii!
Hello, This is Ikehata.
pi
fuu...
Ww... what is it? So all of a sudden...
Shou... Shouta-kun!?
Sayo? It's Shouta.

ドキ

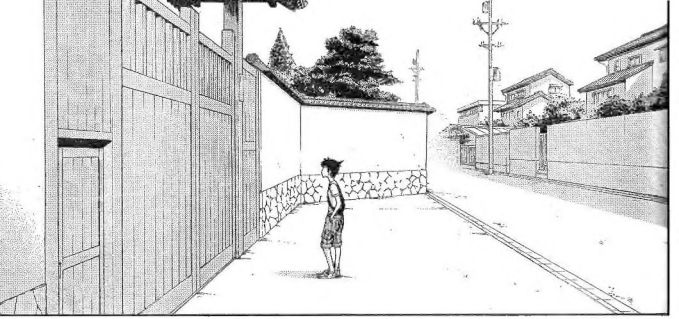
I'm sorry about earlier.
Does it still hurt where I bumped into you?
No... it's fine.
Eh!?
Actually, I'm in the park close to your house.
I'm glad.
It looks like my 10 yen is about to be spent, so...
I'll be on my way.
Wait a minute!
Is it okay to come to Sayo's house?
I'd like to come by now and apologize.
Eh... well...
pi...
pi...
pi...
……

ドッ ドッ ドッ
The stamen...
is coming.
ビー…
!
ピーンポーン
The stamen! The stamen is on its way!!
Wh... what should I do!



Be that as it may, but...
this is somewhat awkward...
ドキ

Sayo...
wants to become Shouta-kun's number one!
Sorry for the wait!
Ever since that honest encounter at the day of the festival...
if the meaning of those words was genuine, than that would be okay...

Sayo!?
in...
Complete stamen defense outfit!!
P...please come...
Sayo!?
Are you okay?
Yes... It's just a bit painful.
Secondary sex characteristics...
are scary.
uuh... so embarrassing...
